“We are committed to you...Giving patients a reason to smile”

Marcie Weaver ~ Public Relations Coordinator

I am a registered dental assistant and I have been in the dental field for 30 years. I have had a passion for dentistry and have had the pleasure of helping patients in many different facets as a registered dental assistant, a patient care coordinator, financial coordinator and office manager. I am extremely excited to be a part of such a dynamic team, the enthusiasm our team shares is contagious.

Estelle Barton ~ Treatment Coordinator

I have had the pleasure of working alongside Dr. Alijanian since 2013. I started as a certified surgical assistant then took some time off to have my daughter and now have returned as a treatment coordinator. I can't seem to stay away! I love being able to help put smiles on our patients faces.

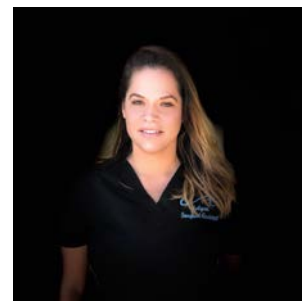

Maritza Saucedo ~ Surgical Assistant

I am excited to be part of Dr. Alijanian’s team. Together we work hard so our patients have the best experience possible. I look forward to helping patients anyway I can with a positive team attitude, knowing that our best reward will be our patient’s smile.

Jolynn Gonsales ~ Surgical Assistant

I have been a Registered Dental Assistant since 2011. My 7 years of experience in the dental field has allowed me to take pride in being able to calm the most anxious of patients, reassure them and alleviate their dental fears. Educating patients on their oral health is very important to me. I am currently furthering my education in the field working towards becoming a Registered Hygienist.

“We believe in education, dedication, communication, and appreciation”

“Unity is Strength... When there is Teamwork and Collaboration, Wonderful things can be Achieved.”

KUDOS REPORT

We are excited to congratulate our surgical assistant, Maritza Saucedo, she has been voted our team member of the month. She is a great addition to our team and her positive hard working attitude is one that ensures our patients the best experience possible. Great job Maritza!

CENTURION DENTAL TRAINING CENTER COMING SOON

“Training with Passion, Creating Excellence”

We are proud to announce Dr. Alijanian has broken ground on the Centurion Dental Training Center! The center will be offering continuing education courses for all dental professionals in a small group setting. Our state of the art facility will be equipped with dental simulators designed to create a hands-on learning environment that most closely resembles a real-life clinical setting. The center is designated as an approved PACE Program by the Academy of General Dentistry. It is conveniently located in the lower level of our building, just below our office. Please look for updates and an invitation to our upcoming open house.
