EVENT ONLY**

Mamaly A. Reshad, DDS. MSC.

Two Lectures:

- Augment, Preserve or Resect the Anterior Maxilla.
- CAD CAM technology & Implant Prosthesis.

About Speaker

Attendees will learn;

1. When to augment and preserve the osseous architecture in the anterior maxilla versus resection.
2. A new approach for preserving the anterior maxilla.
3. How to diagnosis, plan and execute resection of the anterior maxilla.
4. Online Lecture: CAD CAM technology & Implant prosthesis.

A. Classification for CAD CAM frameworks.

B. Proper design features.

C. Appropriate matching of frameworks to restorative materials.

D. Achieving health, esthetics & longevity with acceptable prosthetic design.

Dr. Reshad has published in numerous peer-reviewed journals on various topics related to prosthodontics, implant dentistry and aesthetic dentistry. He maintains a private practice limited to prosthodontics in Woodland Hills. He is the former Chairman for Fixed Prosthodontics and Operative Dentistry at the University of Southern California in Los Angeles.

He qualified as a dentist in 1993 from King's College London. He completed his master's in Conservative Dentistry with Distinction at the Eastman Dental Institute. He has also completed a three year full-time specialist training in advanced prosthodontics at University of Southern California School of Dentistry.

He is licensed to practice in California as well as the UK and practiced as a specialist in prosthodontics at the University of Southern California faculty practice. He has published in and is on numerous peer-reviewed journals and textbooks on various topics related to prosthodontics, aesthetics, and implant dentistry. Dr. Reshad is on the editorial board for the highly prestigious Journal of Aesthetic and Restorative Dentistry. He is an honorary clinical teacher at the Eastman Dental Institute and a member of the faculty of the Global Institute for Dental Education.
