"TRAINING WITH PASSION, CREATING EXCELLENCE"

REGISTER TODAY!!!

This two day course is excellent for practitioners who want to learn the All on X digital workflow. This will be demonstrated with a live patient incorporating both the prosthetic digital work-up and guided surgical protocols. Digital Workflow will be the emphasis of this course.

Attendees will experience seeing a LIVE patient, completed by Dr. Ali Alijanian and Dr. Reza Khazaie following the digital workflow. Attendees will be able to apply the digital workflow on our state-of-the-art ADEC simulators. This course is designed to achieve predictable long-term results and prevent surgical and prosthetic complications.

Attendees who complete the ALL ON X course series, will qualify to perform a live surgery with Dr Alijanian. This will be assessed on an individual basis. (Rate to be determined based on case selection).
