ADVANCE DENTAL CONTINUING EDUCATION
"TRAINING WITH PASSION, CREATING EXCELLENCE"

This two-day comprehensive, step-by-step course is designed for general dentists, periodontist, oral surgeons in Zygomatic implant procedures. This hands-on course covers pre-surgical and surgical treatment planning, surgical procedures, and clinical protocols for placing zygomatic implants as a graft less solution alternative for rehabilitation of the atrophic maxilla.

Attendees will experience seeing a LIVE patient completed by Dr. Ali Alijanian and Dr. Reza Khazaie. Then attendees will be guided and trained on completing their own procedure. This course is designed to achieve predictable long-term results and prevent surgical and prosthetic complications

Attendees who complete the ALL ON X course series, will qualify to perform a live surgery with Dr Alijanian. This will be assessed on an individual basis. (Rate to be determined based on case selection).

Dr. Ali Alijanian

Dr. Reza Khazaie
